ACCESS YOUR FUTURE BECOME A LEO!

Leadership...skills are developed by organizing community service projects and motivating your peers.

Experience...connections to professional and social networks.

Opportunity...to excel, and receive recognition for service contributions.

Join an Omega Leo club and access an international network of young adults who develop leadership and professional skills, serve their community and make new social connections.

More than 139,000 young people in 5,550 Leo clubs in 135 countries call themselves Leos.

Omega Leo club members are between the legal age of adulthood in your country and a maximum age determined locally.
