

## International Club Twinning Recognition Application

To further the purpose of the International Club Twinning program, international headquarters issues either a twinning recognition patch or a certificate for the fiscal year in which a club's first international twinning began. To receive the award, participating clubs must report their twinning to international headquarters. International twinings reported in succeeding fiscal years are also recognized with a patch or a certificate.

Twinning should occur between like clubs, i.e., Lions with Lions, Leos with Leos.  
**ONLY ONE** form of recognition is sent to a club per year regardless of the number of twinings.

This application is for my:     Lions Club                       Leo Club

date \_\_\_\_\_ club name \_\_\_\_\_  
district \_\_\_\_\_ club number (six digits) \_\_\_\_\_
